One day conference on Indian Medical Devices & IVD Industry: Challenges and Opportunities

04 Jan 2025 | The LaLiT, Barakhamba Avenue, Connaught Place, New Delhi, India

About the Conference

Greetings from IPA-DSB

We are pleased to extend a warm invitation to you for the one-day conference on “**Indian Medical Devices & IVD Industry: Challenges and Opportunities**”, a prestigious event proudly organized by the Indian Pharmaceutical Association - Delhi State Branch (IPA-DSB). This conference will take place in the heart of Delhi at The LaLiT, Barakhamba Avenue, Connaught Place, New Delhi, India, on 04th January 2025, offering an exceptional experience for all the attendees. The conference serves as a comprehensive platform for stakeholders across the medical and IVD device sectors. With a dedicated focus on the challenges faced by the manufacturers and other key players in India, the event promises valuable insights for participants from diverse backgrounds. This is a unique opportunity to explore the intricacies of Indian and European regulations, encouraging engaging discussions on key aspects of ever-evolving regulatory frameworks. The agenda covers a wide range of topics, including:

- Government initiation for empowerment of medical devices and invitro diagnostic industries in India.
- Indian and international regulatory requirements for licensing, clinical evaluation, post-market surveillance, and clinical studies for medical devices.
- ISO standards, software applications, and pharmacovigilance for the medical devices industry.
- Role of notified bodies and technical documentation standards for the medical devices industry.

Spanning regulations from the international market, this event is set to provide a deep dive into critical subjects of importance to the medical devices & IVD industries. This conference will be a pivotal gathering, uniting diverse stakeholders from the compliance landscape. Indian regulators, manufacturers, competent authorities, notified bodies, and business associations will come together to spark meaningful dialogue, shaping the future of the medical devices and IVD sector in India.

Scope & Topics

This one day conference will serve as a platform to address the rapidly evolving landscape of India's medical devices and in vitro diagnostics (IVD) sector. It will focus on government like **Production Linked Incentive (PLI) Scheme, Medical Device Parks, Medical Device Rules, 2017, and policies like Ayushman Bharat and FDI** that drive innovation and investment in the industry. Regulatory frameworks such as EU-MDR, licensing, conformity assessments, global harmonization efforts, and export policies will be discussed, providing insights into navigating domestic and international markets. The event will delve into compliance essentials like Post-Market Clinical Follow-Up (PMCF), Periodic Safety Update Reports (PSUR), clinical evaluation reports, trials, and manufacturing advancements that enhance product safety, efficacy, and global competitiveness. With an emphasis on technological advancements and strengthening manufacturing capabilities, the conference aims to foster collaboration among policymakers, industry leaders, and innovators to position India as a global leader in the medical devices and diagnostics sector, ensuring sustainable growth and excellence in healthcare delivery.

Conference Highlights

Exploring Government Initiatives:

- *Role of PLI Scheme in boosting domestic manufacturing and industry competitiveness.*
- *Benefits of Medical Device Parks in fostering innovation and reducing production costs.*

Regulatory Frameworks and Global Standards:

- *EU-MDR compliance and its implications for Indian medical device exports.*
- *Importance of global harmonization to align with international safety and quality standards.*

Compliance and Clinical Trials:

- *PMCF and PSUR for post-market product safety and performance evaluation.*
- *Key processes for CE Marking and ensuring adherence to global regulatory norms.*
- *Independent assessment and certification of medical devices by Notifying bodies for regulatory compliance.*

Technological Advancements and Manufacturing Innovation:

- *Emerging innovations in diagnostics technologies for enhanced healthcare delivery.*
- *Strengthening manufacturing capabilities to improve product quality and scalability.*

Export and Market Navigation:

- *Strategies for meeting international export policies and expanding global market reach.*
- *Approaches to navigate domestic regulations while maintaining global competitiveness.*

Collaboration and Global Leadership:

- *Building partnerships among industry leaders, regulators, and innovators for sector growth.*
- *Encouraging knowledge-sharing initiatives to strengthen India's position in healthcare technology.*
- *Facilitating joint initiatives to align Indian medical device practices with international benchmarks.*

- **Join us for the above informative sessions that bring together experts, policymakers, and industry leaders.**
- **Share knowledge, strategies and innovations aimed to adopt cutting-edge technologies in the field of medical devices & diagnostic industry.**
- **This conference is a unique opportunity to network with professionals, gain valuable insights, and contribute to achieve greater heights in healthcare technologies and aim for making Aatmanirbhar Bharat in the field of medical devices & diagnostics.**

Indian Medical Devices & IVD Industry: Challenges and Opportunities

04 Jan 2025 | The LaLiT, Barakhamba Avenue, Connaught Place, New Delhi, India

ORGANIZED BY:

THE INDIAN PHARMACEUTICAL ASSOCIATION (DELHI STATE BRANCH)

The IPA-DSB is one of the most-vibrant State Branch of the Association having more than 500 members representing the wide spectrum of the pharma fraternity. IPA-DSB has been given “Special Recognition Award” for 2011 & “Outstanding State Branch Award” from 2018 to 2022 for excellent contribution in achieving the objectives of the Association. Also, the Delhi Branch established the first-of-its kind Pre-Pharmacy Club in a school in the year 2010. The IPA-DSB established five forums, viz. Regulatory, Industrial, Academic, IPR and Community & Hospital Forums in 2018 to give more platform to all the divisions of the pharmaceutical profession. IPA-DSB has signed 14 MOUs with pharmacy institutions across Delhi NCR, and 2 MOUs with medical associations such as the Association of Diagnostics Manufacturers of India (ADMI) and the Association of Indian Medical Device Industry (AIMeD). These collaborations have helped create professional development programs to enhance pharmacy students' employability skills, update faculty knowledge, and facilitate valuable networking opportunities for both students and academicians with the pharmaceutical industry.

WHO SHOULD ATTEND

- ❖ Medical Device Manufacturers
- ❖ IVD Manufacturers
- ❖ Regulatory Affairs Professionals
- ❖ Healthcare Providers and Practitioners
- ❖ Policy Makers and Government Officials
- ❖ Investors and Industry Stakeholders
- ❖ Academics and Researchers
- ❖ Legal and Compliance Experts
- ❖ Technology Innovators and Entrepreneurs
- ❖ Clinical Research Organizations
- ❖ Healthcare Consultants
- ❖ Industry Associations and Trade Bodies
- ❖ Testing Labs
- ❖ Notifying and Certification Bodies
- ❖ Media Professionals

Indian Medical Devices & IVD Industry: Challenges and Opportunities

04 Jan 2025 | The LaLiT, Barakhamba Avenue, Connaught Place, New Delhi, India

The Indian Pharmaceutical Association – Delhi State Branch

About the venue: The LaLiT, New Delhi

The LaLiT New Delhi is a premier luxury hotel located in the heart of Central Delhi, offering easy access to the vibrant and bustling Connaught Place. Known for its opulent decor, fine dining, and extensive collection of artwork, this iconic hotel provides a seamless blend of contemporary luxury and traditional elegance. Perfectly situated for both business and leisure travelers, The LaLiT is well-connected to key commercial districts and major landmarks. Guests will enjoy the convenience of being close to the city's top attractions, including Agrasen Ki Baoli (1.1 km) and Madame Tussauds Delhi (1.6 km), making it an ideal base for exploring the rich cultural and historical tapestry of Delhi. Whether you're attending a conference, business meeting, or simply exploring the city, The LaLiT's central location ensures you're never far from the action. With a variety of sophisticated meeting spaces and exceptional on-site facilities, The LaLiT New Delhi caters to high-profile events and conferences, providing an environment that balances business efficiency with luxury. Its award-winning dining options and plush accommodations ensure that every guest enjoys a memorable stay. Whether you're visiting for work or leisure, The LaLiT New Delhi offers an unparalleled experience in the heart of the nation's capital.
